

Silver St. George Award

National Level Adult Recognition

At its 35th Biennial Conference for Catholic Scout leaders from around the country, held in Columbus Ohio, April 21-25, 1998, the National Catholic Committee on Scouting initiated a new award for dedicated members of its national organization who have worked hard and diligently for many years at the national level, and whose accomplishments in carrying out the youth-serving mission of NCCS have been especially significant.

NCCS will limit the number of awards to six per year. The first presentation included awards for 1997 and 1998.

The award includes a silver version of the St. George emblem, suspended on a dark blue ribbon. A complete citation booklet and a certificate to accompany the medal.
